

The Joint Commission on Health Care (JCHC) of the Virginia General Assembly is seeking a highly competent, motivated professional to join its staff as a health policy analyst. JCHC staff study, report and make recommendations on all areas of health care to Commission members and the public. In conducting studies, staff members work with state legislators, government officials, citizens and other relevant stakeholders.

The position of Senior Health Policy Analyst requires a skilled and experienced professional who can complete complex and varied assignments thoroughly and accurately with limited supervision. Position requirements include: excellent communication, writing, research and presentation skills as well as the ability to work in consultation with a variety of groups and individuals. Research experience and an advanced degree in health policy, public policy, public administration, health law, social science or related field is required. Salary will be commensurate with qualifications and experience. To be considered for this position, please provide a resume, writing sample and two letters of reference which must be received by 5:00 pm, February 29, 2016. Applications can be emailed to [jhcjob@jhc.virginia.gov](mailto:jhcjob@jhc.virginia.gov) or mailed to Joint Commission on Health Care, P.O. Box 1322, Richmond, Virginia 23218.
