Re: Office of the State Inspector General FY 2017 Annual Work Plan

Dear Members of the Joint Commission on Health Care:

The Office of the State Inspector General (OSIG) is developing its annual work plan for Fiscal Year 2017. *Code of Virginia* [§ 2.2-309.1](#) authorizes the OSIG Behavioral Health and Developmental Services division to provide announced and unannounced inspections of and make policy and operational recommendations for state facilities and for providers in order to prevent problems, abuses, and deficiencies in and improve the effectiveness of their programs and services. Additionally, OSIG has a statutory responsibility to keep the General Assembly and the Joint Commission on Health Care (JCHC) fully and currently informed concerning significant problems, abuses, and deficiencies relating to the administration of these programs and services and to recommend corrective actions concerning the aforementioned and report on the progress made in implementing the corrective actions.

To assist in this development, we would like to solicit your recommendations for inclusion in the annual work plan.

Please feel free to contact me at (804) 625-3255 or email me at june.jennings@osig.virginia.gov. I am also available to meet with you in person to discuss any suggestions.

Respectfully,
