JCHC Acting Executive Director, Jen Piver-Renna, provided an overview of proposed study topics for 2024. After some discussion, the Executive Subcommittee Members unanimously agreed to take on the following topics:

### **Full Studies**

- Health Care Workforce Development
  - o Scope will be determined after November briefing
- Community Health Supports, including:
  - o Community paramedicine
  - o Maternal home visiting
  - o Community supports for older adults
  - o Community supports for persons with developmental disabilities

### **Presentations**

- Improving access to health care
- Services for individuals with traumatic brain injury in long-term care facilities
- Impact of technology use on children's health

The Members also agreed to send a letter to General Assembly explaining the JCHC study process and the current workload for 2024 prior to the bill filing deadline.

Associate Health Policy Analyst Kyu Kang briefed the Executive Subcommittee Members on possible additions/modifications to the JCHC Dashboard that were suggested at the August 2023 Commission meeting. The Subcommittee decided to table the matter until the Executive Director is on board.

Meeting adjourned.
