Call to order and welcoming comments – Delegate Willett

Roll Call - Agnes Dymora

Executive Director Sarah Stanton provided an overview of the agenda and summarized the way the three studies currently on the workplan will be presented in 2025. She then discussed eight topics that were referred to the JCHC after the 2025 workplan was approved in December 2024. She discussed how some of those additional topics could be incorporated into the 2025 workplans.

Delegate Anthony spoke briefly about HB 2023 that will be incorporated into the *Access to Pharmacy Services in Virginia* study.

After some discussion and questions, members voted unanimously to recommend adoption of a new workplan that includes an addition of two targeted studies:

- Implementation of a Medicaid ILOS Food and Nutrition Benefit for Pregnant and Postpartum Women and Individuals Living with Diabetes, and
- Strategies for Legislative Oversight of Medicaid Program Spending.

Meeting adjourned.
